

The Marburg 2000

Marburg 2,000 Ping Pong Ball Air Cannon

1

Instructions:

1. Fill you air tank at your local paint ball store to allow for full power
2. Attach the air tank to the back by using an appropriate wrench to fit your air tank
3. Fill the hopper with up to 8 ping pong balls
4. Pull the reload handle back and push it forward to drop a ball into the barrel
5. Open the Valve for about half a second and then close it to fire the ping pong ball
6. Repeat steps 3-5 for endless fun!

2

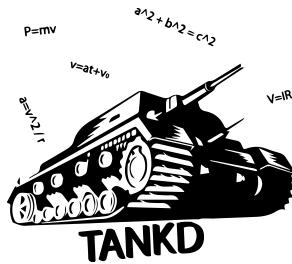

Safety:

1. Wear eye protection at all times!
2. Do not cause severe impact to the tank

3

Legal:

If instructions are failed to be followed or safety guidelines are ignored, TANKD Co. is not responsible for any bodily harm or malfunctioning products and your warranty will become void.¹ Additionally, if any tampering beyond ascetical changes are apparent your warranty will also be voided. If all guidelines are met and you are still unsatisfied with your product you can send it back for a new one or a full refund within one month of purchase.²
